

Board Director Position/Chair of the Board
Sylvia Fedoruk Canadian Centre for Nuclear Innovation
Saskatoon, SK, CANADA

About Us - The Fedoruk Centre was established in 2011 under the *Canada Not-for-Profit Corporations Act*, with an independent Board of Directors and a sole Member, the University of Saskatchewan (USask). The purpose of the Fedoruk Centre is to help place Saskatchewan among global leaders of nuclear research, development and training through investment in partnerships with academia and industry.

About the Board - The Board of Directors is a skills competency-based board responsible for overseeing the governance of the organization.

About this Position – We are looking for this incoming Board Director to fill the role of the Chair of the Board for a two-year term. In this role, they will also serve as a member of the Executive Committee, attend Annual General Meetings, call and chair quarterly Board meetings, provide oversight to the Board Secretary, provide external communication on behalf of the Board, provide financial oversight of the corporation, lead the annual performance commitment planning process of the Executive Director and provide mentoring and support as/when needed to the Executive Director.

Skills & Experience – You will bring strong skills and experience (previously as a Board Chair) in the areas of board management, business development, communications, ethics/policies, finance, government relations, and human resources together with a strong perspective and knowledge of the Saskatchewan landscape.

If you are interested in contributing your skills and experience to help guide the Fedoruk Centre towards its vision and mission, we invite you to express your interest to Niki Schrie, Secretary to the Board, by email at Niki.Schrie@Fedorukcentre.ca, by October 23/2026, by providing your resume and a brief cover letter.
